If the Principals of the Colleges send their reports to Mr Bhabha the latter may, perhaps, his views remarks thereon, which

I believe is not the intention of Govt
The best plan would be to ask the Principals of the two colleges to submit their Reports to Govt for review, and a separate section relating to the Colleges may be prepared in the Genl Depte and added to Mr Bhabha's report

or

the Colleges sections relating to the Colleges may be prepared by the Principals sent to the Inspr Genl of Schools who should be competent to add his Genl Educl report without any remarks
